Arrival Checklist

More Information in the E-Packet and also on our Website

Required Tasks:

☐ Complete Check-in Requirements
  ❑ After you arrive, check-in, attend orientation and provide all check-in information, GEO will lift the GEO orientation HOLD and confirm your arrival with the US government in SEVIS (REQUIRED FOR YOUR STAY TO BE LEGAL!)
  ❑ To complete check-in, read the message sent to your permanent (non-UNM) email instructing you to set up your myGEO portal account. The mygeo portal is not linked to your my.unm.edu account, so save this password!
    o The Personal Information section should always have your correct US address, US telephone number, and emergency contact information. Update at mygeo.unm.edu and also with UNM at my.unm.edu, every time your information changes.
    o The Upload Documents section should always have your most recent immigration documents (list below).
  ❑ You must provide proof of health insurance for the whole semester to complete check-in (please do not upload temporary health insurance in the mygeo portal – degree-seeking students have 2 weeks to decide on a long-term plan and we will have health insurance sign up help during check-ins). Health insurance is REQUIRED (more info is in the e-packet or our website). Regardless of your insurance plan, you should go to the Student Health Center for all primary health care!

☐ Review and Copy your Immigration Documents (upload e-copies to mygeo portal)
  ❑ Information on these documents must be correct (contact an advisor if incorrect) – upload in jpg, jpeg or pdf format:
    o Passport (must stay valid in the US)
    o I-94 (print at cbp.gov/I94 AFTER you enter the US)
  ❑ Be aware of document validity and expiration dates (ONLY your visa is allowed to expire while in the US) and know the rules and regulations you need to follow to stay in legal student status.
  ❑ Make copies of all the documents listed above and keep them in a safe place (always keep e-copies as well)

☐ Get your Lobo ID card (student ID)
  ❑ If you have not set up your NetID, you have to do this first. The system will suggest a net ID; this is your ONLY CHANCE to change the Net ID if you do not like the suggestion. Your NetID@unm.edu is also your email.
  ❑ Your Lobo Card (student ID) gives you access to campus facilities and student discounts. The Lobo Card office is on the lower level of the Student Union Building (SUB), Room 1077. First upload a photo via the website. When you arrive on campus go to the office to pick up the card (on campus residents can pick up the card at regular key pick up times). For questions, call 505-277-9970 or email lobocard@unm.edu.

☐ Academics
  ❑ Meet with an Academic Advisor before you register for classes. Undergrads will need to use the LoboAchieve system to schedule advisor appointments. Grads will contact the advisor through the department.
  ❑ Take care of any holds on your student account (you can see these when you register). A hold prevents you from registering due to an unmet requirement. GEO will lift the GEO Orientation hold after you complete Check-In, but you also may have department, advisor, pre-requisite and undergraduate UNM orientation holds.
  ❑ Course syllabi and assignments for each class will be put on the UNM learning platform on the first day of class (software is Canvas). Take time to learn explore Canvas. Instructors may also ask if you want to pay for, or opt out of, Redshelf/Inclusive Access (digital textbooks). If you want to buy a paper book you have to opt out or you will be charged.
  ❑ You should seek academic help early and often! The Center for Academic Program Support provides academic help to undergrads and the Graduate Support office in the Center for Teaching and Learning provides academic help to graduate students.

☐ Register for a full-time course load (Immigration Minimum Requirements)
  ❑ F and J regulations allow you to count ONLY 3 credit hours of on-line courses toward your full-time minimum (listed below):
    o Undergraduate students: Minimum is to complete at least 12 credit hours (9 in-person), Scholarships require 15 credits.
    o Graduate students without assistantship: Minimum is to complete at least 9 credit hours (6 in-person).
    o Graduate students with assistantship: Minimum is to complete at least 6 credit hours (3 in-person).

☐ Complete procedures if you will work on campus
  ❑ Students in F1 or J1 status can work up to 20 hours per week during fall and spring and more between semesters. You can NEVER work off campus without special work authorization from a GEO advisor.

- **New Mexico driver’s license or state ID**

  - 2 proofs of New Mexico Residence are required you can request a letter from GEO as one proof of residence.

- **Find Housing**
  - International Students, Inc. (ISI) is available to help new students search for off-campus housing. ISI is a community-based Christian organization, but there is no requirement to participate in religious activities to receive assistance. Fill out the request for services form on the website or email them at isiabq@isionline.org

- **Pay your Bill**
  - All international students are charged an immigration processing fee. This fee is once per program if you are a degree student and is not covered by assistantships. Exchange students must pay this fee each semester.
  - You must pay bills on time to avoid late fees and will not be able to enroll for next term classes until all bills are paid. The Bursar’s Office can answer your billing questions and help you set up a payment plan. Credit cards incur additional fees. The International Payments link can be used to pay your bill directly from your foreign bank. If you want to pay without additional charges you must pay directly from a US bank account.

- **Update Lobo Alerts**
  - Lobo Alerts is UNM’s Emergency Notification System. You should log in to change your notification settings to receive texts instead of email in case of emergencies.

- **Transportation**
  - Public buses are FREE in the City of Albuquerque
