**Arrival Checklist**

More Information in the E-Packet and also on our [Website](https://isss.unm.edu)

### Required Tasks:

1. **Complete Check-in Requirements**
   - After you arrive, check-in, attend orientation and provide all check-in information, GEO will lift the GEO orientation HOLD and confirm your arrival with the US government in SEVIS (REQUIRED FOR YOUR STAY TO BE LEGAL!)
   - To complete check-in, you will get a message to your permanent (non-UNM) email instructing you to set up your myGEO portal account. The mygeo portal is not linked to your my.unm.edu account, so save this password!
     - The Personal Information section should always have your correct US address, US telephone number, and emergency contact information. Update at mygeo.unm.edu and also with UNM at my.unm.edu every time your information changes.
     - The Upload Documents section should always have your most recent immigration documents (list below)
   - You must provide proof of health insurance for the whole semester to complete check-in (please do not upload temporary health insurance in the mygeo portal – degree-seeking students have 2 weeks to decide on a long-term plan). Health insurance is REQUIRED (more info is in the e-packet or our website). Go to the Student Health Center for all primary health care. For more information about choosing long-term insurance come to the health info session on Zoom in the first week of classes at [https://unm.zoom.us/j/94510382301](https://unm.zoom.us/j/94510382301) passcode: GEOlobo
   - UPLOAD YOUR PRIMARY VACCINE SERIES TO UNM BEFORE CLASSES BEGIN, GET ALL BOOSTERS AND UPLOAD PROOF AS SOON AS YOU ARE ELIGIBLE! Upload to: [https://lobocheckin.unm.edu/checkin/svpfa/24](https://lobocheckin.unm.edu/checkin/svpfa/24)

2. **Review and Copy your Immigration Documents (upload e-copies to mygeo portal)**
   - Information on these documents must be correct (contact an advisor if incorrect):
     - Passport (must stay valid in the US)
     - I-94 (print at cbp.gov/i94 AFTER you enter the US)
     - I-20 (for F-visa) or DS-2019 (for J-visa) – SIGNED by you!
     - I-94 print at [cbp.gov/i94](https://cbp.gov/i94) AFTER you enter the US
     - US entry visa (valid required for ENTRY – except Canadians)
   - Be aware of document validity and expiration dates (ONLY your visa is allowed to expire while in the US) and know the rules and regulations you need to follow to stay in legal student status.
   - Make copies of all the documents listed above and keep them in a safe place (always keep e-copies as well)

3. **Get your Lobo ID card (student ID)**
   - If you have not set up your NetID, you have to do this first. The system will suggest a net ID; this is your ONLY CHANCE to change the Net ID if you do not like the suggestion. Your NetID@unm.edu is also your email.
   - Your Lobo Card (student ID) gives you access to campus facilities and student discounts. The Lobo Card office is on the lower level of the Student Union Building (SUB), Room 1077. First upload a photo via the website. When you arrive on campus go to the office to pick up the card (on campus residents can pick up the card at regular key pick up times). For questions, call 505-277-9970 or email lobocard@unm.edu.

4. **Academics**
   - Meet with an Academic Advisor before you register for classes. Undergrads will need to use the LoboAchieve system to schedule advisor appointments. Grads will contact the advisor through the department.
   - Take care of any holds on your student account (you can see these when you register). A hold prevents you from registering due to an unmet requirement. GEO will lift the GEO Orientation hold after you complete Check-In, but you may have department, advisor, pre-requisite and undergraduate UNM orientation holds.
   - Course syllabi and assignments for each class will be put on the UNM learning platform on the first day of class (software is Canvas). Take time to learn explore Canvas. Instructors may also ask if you want to pay for, or opt out of, Redshelf/Inclusive Access (digital textbooks). If you want to buy a paper book you have to opt out or you will be charged.
   - You should seek academic help early and often! The Center for Academic Program Support provides academic help to undergrads and the Graduate Support office in the Center for Teaching and Learning provides academic help to graduate students.

5. **Register for a full-time course load (Immigration Requirement)**
   - F and J regulations normally only allow you to count 3 credit hours of on-line courses toward your full-time minimum (listed below)! This requirement has been temporarily changed due to COVID. The COVID requirement through Spring 2023 is that anyone who entered student immigration status after March 2020 MUST enroll in at LEAST one in-person course. In Fall 2023 you will be restricted to counting only 3 credit hours of online courses.
   - Undergraduate students: Minimum is to register and complete at least 12 credit hours. Scholarships require 15 credits.
   - Graduate students without assistantship: Minimum is to register and complete at least 9 credit hours.
   - Graduate students with assistantship: Minimum is to register and complete at least 6 credit hours.
Complete procedures if you will work on campus

- Students in F or J status can work up to 20 hours per week during fall and spring and more between semesters. You can NEVER work off campus without special work authorization from a GEO advisor.
- All students can work in **hourly student employment jobs** (international students cannot apply for jobs with a Student Type of “work study” - ask if they are hiring students for **student employment** without **work study**); graduate students can also work in **assistantships**.
- **Rules and procedures** must be followed to work, get paid and be taxed correctly.

**Other Important Tasks:**

- **Open a bank account** (if you will be here for more than 1 year or will get paid here)
  - Banks close by with campus ATM: Nusenda Credit Union, Lobo Branch, SUB bottom floor; US Bank, 3000 Central SE; Wells Fargo Bank, 3022 Central Ave NE; Bank of America, 4401 Central Ave NE.
  - You do not need a social security number to open a bank account, but you will need to show immigration documents.

- **New Mexico driver’s license or state ID**
  - Recommended for students staying more than 6 months as an official ID which is required to cash checks, or buy alcohol (your passport will work for ID but you might not want to carry it). Your student ID is not sufficient.
  - 2 proofs of New Mexico Residence are required you can request a letter from GEO as one proof.

- **Find Housing**
  - **International Students, Inc. (ISI)** is available to help new students search for off-campus housing. ISI is a community-based Christian organization, but there is no requirement to participate in religious activities to receive assistance. Fill out the request for services form on the website or email them at isiabq@isionline.org

- **Pay your Bill**
  - All international students are charged an **immigration processing fee.** This fee is once per program if you are a degree student and is not covered by assistantships. Exchange students must pay this fee each semester.
  - You must pay bills on time to avoid late fees and will not be able to enroll for next term classes until all bills are paid. The **Bursar’s Office** can answer your billing questions and help you set up a payment plan. Credit cards incur additional fees. The **International Payments** link can be used to pay your bill directly from your foreign bank. If you want to pay without additional charges you must pay directly from a US bank account.

- **Update Lobo Alerts**
  - **Lobo Alerts** is UNM’s Emergency Notification System. You should log in to change your notification settings to receive texts instead of email in case of emergencies.

- **Transportation**
  - UNM students can ride **public buses for FREE** in the City of Albuquerque. The City of Albuquerque is offering free bus fare to everyone through June 30, 2023. If this program does not continue, students will need to get a sticker on their Lobo Card to ride for free. UNM will update students if bus passes are required.
  - Download the **mobile app** to get real-time bus location, schedules and arrival times.

**Future Information from GEO:**

- **Taxes:**
  - Tax forms are due by April 15 for the previous year (i.e. on April 15, 2023 for the tax year 2022).
  - All international students are required to fill out at least one form. We will send you emails in February with instructions.
