WORKING ON CAMPUS: PROCEDURES FOR ON-CAMPUS JOBS AND ASSISTANTSHIPS

Who can work on campus?
- Students in F-1 or J-1 status can work on campus for up to 20 hours per week during fall and spring semesters (for UNM or an employer that provides services to students such as Chartwells Dining Services). Students can work more than 20 hours per week during the summer and winter vacations (maximum hours depends on enrollment in classes, type of employment, and whether the position is a graduate assistantship or student employment).
- J-1 students must report campus employment to GEO before starting work and every year if they are continuing on-campus work. A GEO advisor must record J-1 student employment in the government immigration database (SEVIS).

How do I find work on campus?
- Student employment information and job info can be accessed at: https://stuemp.unm.edu/ International students are not eligible for jobs that say “Work Study Only”, but they can apply for jobs listed as “Student Employment” or “Work Study Preferred.” The UNM food service, called “Chartwells,” also offers on campus jobs to students. These are posted at: https://www.dineoncampus.com/unm/job-opportunities
- Graduate students looking for an assistantship should speak with their departments or view the listings on the Office of Graduate Studies website. Other information about graduate funding is at: http://grad.unm.edu/funding/

What do I do AFTER I find a job or assistantship?

Step 1: Complete new hire procedures with your campus employer (Student Employment or Chartwells for campus hourly jobs) or HR and your Department (for any type of graduate assistantship).
- Your employer will give you instructions about what you need to do. You will need your passport, I-20/DS-2019, and I-94 to complete your I-9 form which establishes your eligibility to work on campus.
- Complete Information in LoboWeb (@ my.unm.edu) once you have been added as an employee (you should see an “Employee life” tab in LoboWeb once your job is approved in the system):
  - **Main Menu/Personal Information/My Addresses & Directory Info:** Update your local address at all times!
  - **Employee Tab/Pay Information/Direct Deposit Allocation:** UNM employees MUST enroll in Direct Deposit to be paid. You will need your bank account Routing Number and Account Number.
  - **Employee Tab/Tax Forms/W-4 Employee’s Withholding Certificate/Form W-4:** Check your personal information, filing status should be “Single or Married filing separately”. Skip Steps 2 and 3. You may need to have extra money withheld on line 4(c) if your country does not have a tax treaty with the US and if you do NOT want to owe money at the end of the year. In Step 5, sign or confirm the information on the form. Once you become a tax resident (after 5 years in the US for those in F1 or J1 student status), you may want to complete this W-4 form again online at: my.unm.edu and file with the payroll office.

Step 2: Apply for a US Government-issued Social Security number if you do not already have one (last 2 pages below have all of the instructions)
- A Social Security number (SSN) is a unique number assigned to everyone who is eligible to work. This is a confidential number and should be used only for official business, such as for opening a bank account, for payroll, at government agencies, or to obtain credit. If you are working in the US, you MUST obtain a SSN.
• Your hiring supervisor must complete the *UNM Employment Verification Form* (on page 4, below) and a GEO advisor must sign this form.

• Take this form along with your original passport, I-20/DS-2019, and I-94 print-out to the local branch of the Social Security Administration (SSA) to apply for your SSN. Ask for a letter/receipt showing that you have applied for the SSN. Directions and appointment information is below. You will need to provide a US address for the mailing of your SSN card. It will take at least 2 weeks to arrive, so the address should be valid for at least two weeks into the future.

• **If you are a new student, you must wait until 3 weeks after you complete all GEO check-in requirements to apply for the SSN card so we have time to enter your information into the system. DO NOT APPLY EARLIER OR YOU MAY HAVE TO APPLY AGAIN!**

• You can call the SSA to check on the issuance of your card at 800-772-1213. If you do not receive the card within one month, and the national 800 number does not have a record of your card, you may need to return to the SSA office to ask about the card. There is no fee for this service.

**Step 3: Complete taxation paperwork with the UNM Payroll Department.**

• Someone from the payroll office should email you with instructions and a password to enter your information in the Foreign National Information System (FNIS) for tax withholding. If you do not receive this email, contact the Payroll office at intlpay@unm.edu. Put “International Student” in the subject line and tell them that you have begun working and have not been invited to enter your information in the FNIS system.

• When you receive your SSN, log in to the system and complete the online information. When you have completed all information in the system you will be asked to: print out the FNIS forms, sign, copy and send/bring these forms with your SSN card and passport, visa, I-20 or DS-2019, and I-94 print out to the payroll office at 1700 Lomas NE (MSC01 1230) near the corner of Lomas and University Blvd. to complete the process.

• Find out if you can benefit from a tax treaty to have less tax taken from your monthly pay. Payroll will determine if you are treaty eligible when you bring your forms to the payroll department.

***If you do not complete these steps your timely pay may be in jeopardy and you may not be taxed correctly!***

What else do I need to remember?

• **Provide your Social Security card and all the required forms to the Payroll department. They will email you with instructions!** If you do not provide all of this information, you will be taxed the maximum for your income! If Social Security and Medicare taxes (FICA) were withheld from your pay before you provided all of the information, Payroll should refund the money to you in the next paycheck following completion of all forms. If not, email intlpay@unm.edu.

• **Read your pay stubs carefully each month.** To do so, log in to my.unm.edu. Click on “Employee tab” then “Employee Dashboard” and “All Pay Stubs” to view your pay information.

• Please contact intlpay@unm.edu promptly if you believe you have been taxed incorrectly or if you do not get reimbursed for FICA (Social Security and Medicare) taxes that were incorrectly withheld from your pay.

• **Renew all employment paperwork when requested with your hiring department.** If you don’t, your pay may be delayed or you may be paying more taxes than you need to.

• **Complete the online tax information at the beginning of every calendar year.** You will be sent an email by Payroll to which you MUST respond. If you do not respond with the required information each year, you will not be able to benefit from a tax treaty in advance (by being taxed less in each paycheck). However, if you forget, you can still claim the benefit at the end of the year when you file your annual federal tax forms.

• **Before you leave Albuquerque, be sure to go online and update your address on my.unm.edu so Payroll can send you tax forms/reports at the end of the calendar year.** You will need these to file your taxes! If you do not receive these forms, contact intlpay@unm.edu.
